

SALES ANALYTICS REPORT

MONTHLY REVENUE & PROFIT TREND

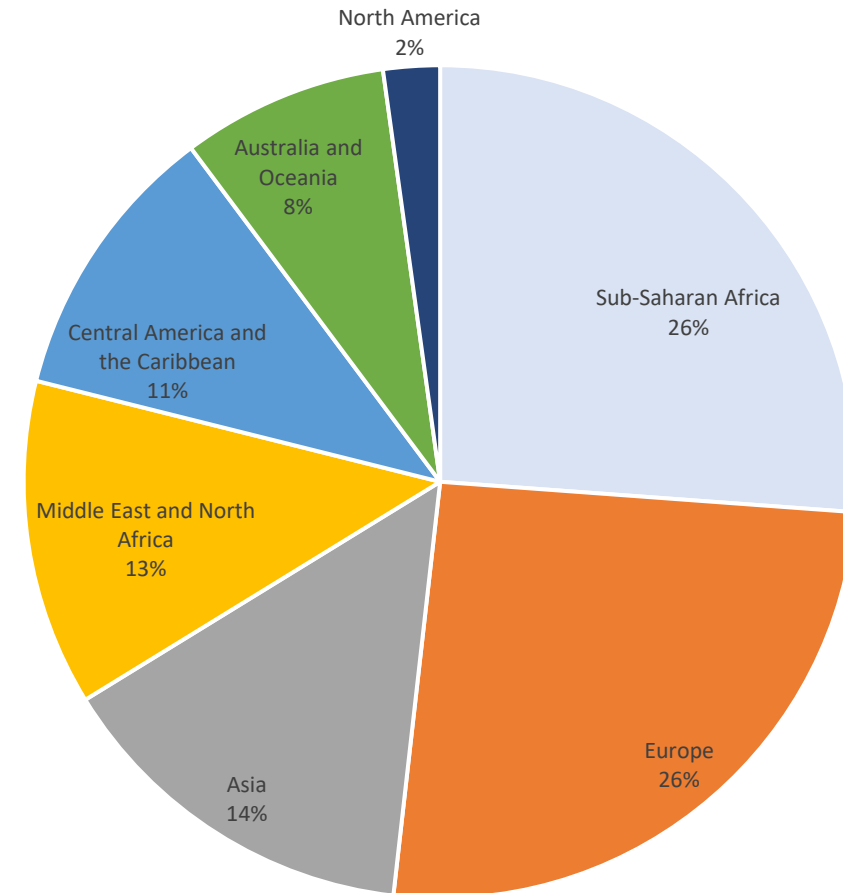

- Revenue & profit both are in a decline trend.
- Revenue can be increased by focusing on marketing both online and offline.
- If we focus on profit growth only, we can optimize operational cost.

REGION WISE SALES

- Around 52% sales is coming from Africa and Europe.
- Less than 10% sales region are North America and Australia region. So to grow revenue management must focus on these regions.

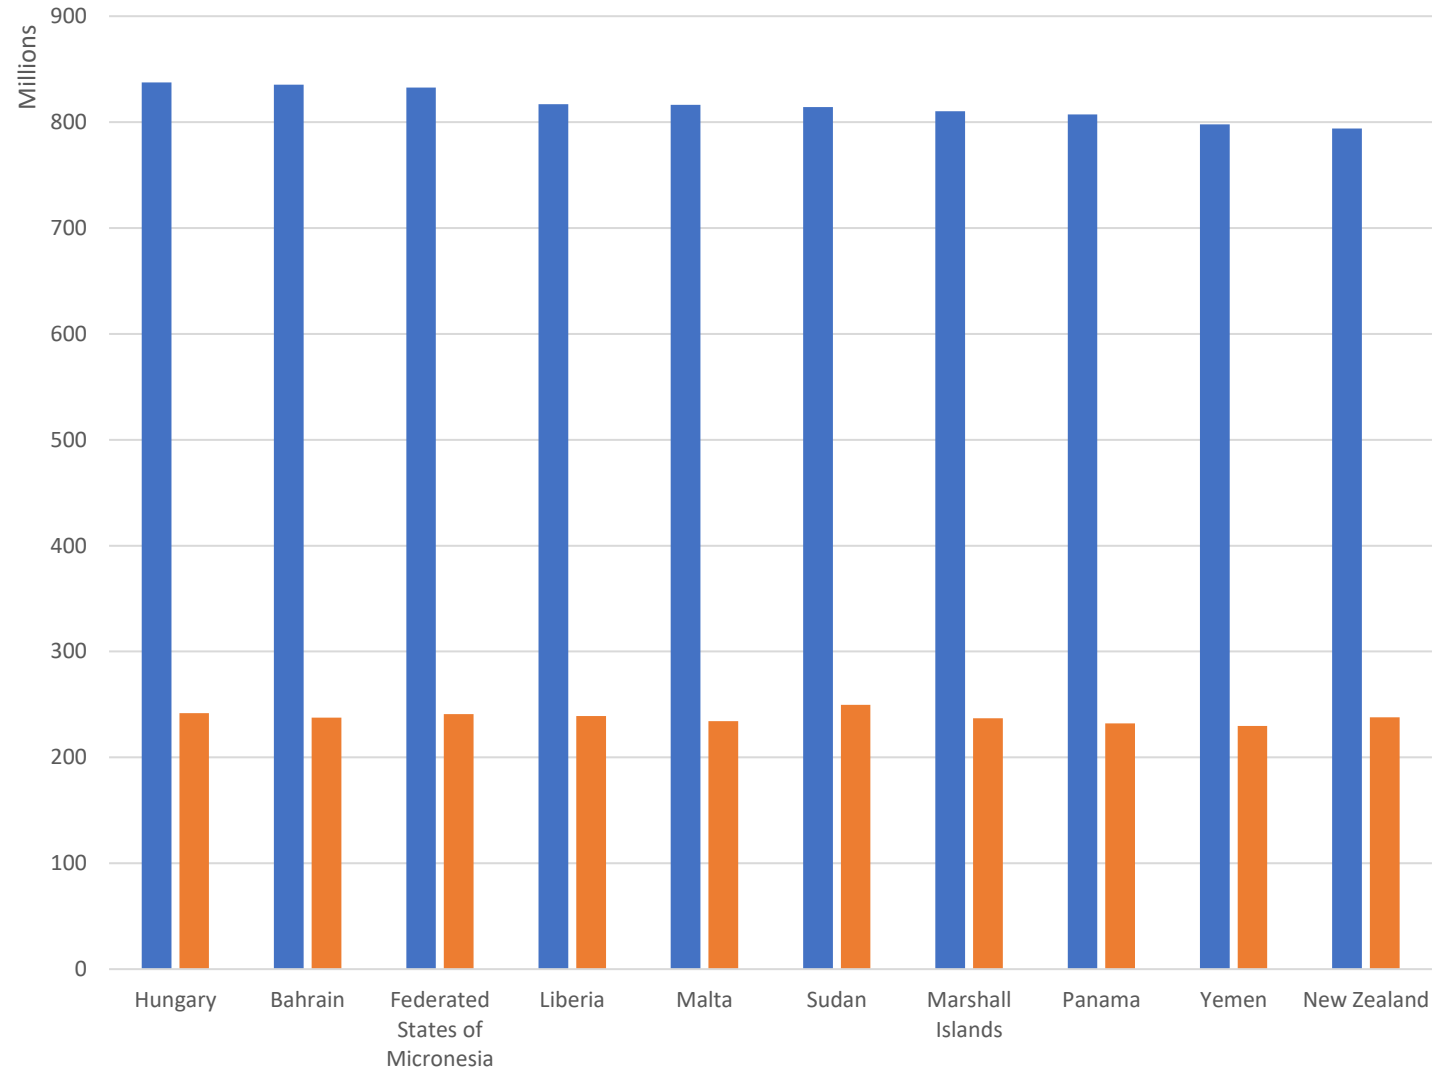

Region Wise Sales
